I have been in the healthcare field for over 15 years. Elder care is my specialty and has always been near and dear to my heart.

In 2013 I received THE DAISY AWARD FOR EXTRAORDINARY NURSES after being nominated by a patient's family. Angie and Bob wrote:

A loving home atmosphere is at the heart of what we do!

Mission Statement

Our mission is to inspire enthusiasm for life and continued experiences. To provide loving care that is safe and heartfelt. To enhance each and every day with kindness and love. To ease any worry and concern felt by families, by knowing their loved one is being cherished and treated just like family. To treat everyone with the dignity and respect they deserve. To provide a warm comfy home to all who live at Winter Haven

Our services will include every aspect of daily living needed to thrive and live a fulfilling life every day.

Some of our services include:
